Evolve Apartment Homes Open in Henderson
Grand Opening Tuesday Open to the Public

WHAT: WestCorp Management Group celebrates the grand opening of [Evolve](#), a new apartment community in Henderson on St. Rose Parkway near St. Rose Siena Hospital and Seven Hills.

Guests of Evolve's grand opening are invited to get their game on with a live DJ set, video games, yard games, trivia games and refreshments at its brand new two-story clubhouse. This is WestCorp's first community to open a two-story clubhouse offering expanded amenities and entertainment options for residents.

Amenities at the gated community include a resort pool with cabanas, an ELounge with Mac and PC computers and Wi-Fi work stations, a media lounge with an Apple TV, Gamers Center with pool table shuffle board and gaming consoles, chef's demonstration kitchen, 24/7 fitness center with water and towel service, fitness studio with scheduled classes, weekly masseur visits, fire pit and BBQ areas.

Evolve is the second of six communities-comprising 1,280 units-that WestCorp Management Group will open and manage this year. Evolve offers 422 units ranging from carriage and single bedroom to three bedroom and townhouse units.
