## **Revolution Luxury Apartment Community Opens in West Henderson**

**HENDERSON, Nev.** – WestCorp Management Group, in its ongoing partnership with Nevada West Development, has opened Revolution, a 340-unit luxury apartment community in West Henderson at 12215 Gilespe Street. This is WestCorp’s third community to open in Southern Nevada with Vivint Smart Home technology in every unit. Empire and Trend! both opened earlier this year and are also managed by WestCorp Management Group.

“Revolution offers residents state-of-the-art technology that provides comfort and convenience unmatched by any other luxury apartment community in Henderson,” said Emily McCann, vice president of marketing for WestCorp Management Group. “Revolution also offers modern amenities that make it stand out from other Henderson communities, like its e-lounge complete with iMac desktops, stainless steel and energy-efficient appliances in every unit and incredible Sky Suites.”

Revolution has one-, two- and three-bedroom units ranging from 836 to 1,390 square feet with leases starting at \$1,223 per month. Each unit is equipped with Calcutta quartz countertops and stainless-steel, energy-efficient appliances, wood-style flooring, walk-in closets and in-home washer and dryer. Revolution is WestCorp’s first community to offer Sky Suites, which are top-floor units that feature 12-foot coffered ceilings, 9-foot doors with Transom windows and three-panel glass slider walls in the living room.

“Every unit includes Cox cable and high-speed internet, and access to HBO and Showtime,” said McCann. “Revolution truly raises the bar for apartment living in Henderson, especially for those who want to experience a luxurious, space-efficient lifestyle.”

Community amenities at Revolution include a resort-style swimming pool with poolside cabanas, a 24/7 fitness center with live fitness classes and on-site personal trainers, as well as a 24/7 fitness studio with water bottle and towel service. Residents can also enjoy a hammock garden, children’s playground, Tesla car share, dog park and pet wash, barbecue areas and an on-site recycling center. Carport parking and garages are also available.

Revolution is located at 2215 Gilespe St. Its leasing office is open from 9 a.m. to 6 p.m. every day of the week. For more information and floor plan options, visit [www.revolutionhenderson.com](http://www.revolutionhenderson.com) or call the leasing office at 702-766-8226.
