WestCorp Management Group Receives 2021 NAA Best Places to Work Award

Las Vegas, Nevada | June 3, 2021 – The National Apartment Association (NAA) has announced WestCorp Management Group as a winner of the 2021 NAA Best Places to Work Awards, which recognize member organizations that foster a culture of collaboration, innovation and hard work. Further, the awards pay tribute to management companies and industry suppliers that have gone above and beyond to create safe and engaging work environments despite the challenges of the past year.

“We are so honored to have been chosen as an NAA Best Place to Work,” said Serena Y. VP of Marketing. “At WestCorp MG, our team is truly the heart of our company, and they greatly exemplify WestCorp’s mission of ‘setting the gold standard in service.’” “Our team worked tirelessly this past year providing assistance to our tenant families,” added Margaret Valdez, COO. “And as a company, we did everything we could to keep the jobs and safety of our team paramount.”

“Congratulations to WestCorp MG, your 2021 NAA Best Places to Work award demonstrates your focus on employees, engagement and performance,” said Bob Pinnegar, NAA President and CEO. “Your employees made it clear — WestCorp cares about, listens to and acts upon the needs and ideas of their employees and is a great place to work. NAA appreciates your efforts in fostering a robust workplace culture and the hard work keeping your staff safe over the last year.”

Employees and their satisfaction determine the best places to work winners and finalists in each of the six categories. An anonymous employee satisfaction survey determines the winners and the results are provided to all nominees to help organizations understand and recognize employee sentiment.
